

CABINETSMITH® 10 YEAR WORKMANSHIP AND WARRANTY

Cabinetsmith® Cabinetry warrants to the original consumer purchaser that our Kitchen and Vanity cabinetry will be free from defects in material and workmanship under normal use for a period of ten (10) years from date of purchase. Cabinetsmith® may elect to replace any defective Cabinetsmith® product covered by our Warranty.

If Cabinetsmith® is liable under the warranty claim, they will arrange replacement of the part required due to defective workmanship. Cabinetsmith will not be responsible for any service/installation charges related to replacement parts.

If a warranted product is no longer available, the manufacturer, at its absolute discretion, may replace the warranted product with substituted item which would be as close as possible in dimension / function and colour. The manufacturer however, cannot guarantee that the replacement item will be exactly the same in all aspects when compared with the original item. Should the material no longer be available to Cabinetsmith by our suppliers, Cabinetsmith will only credit the cost of the item being claimed under warranty.

If your claim is denied, a Cabinetsmith® representative will respond to you with the reasons for the denial of the claim.
