Arctic	IAR	1.70
Black River	IBR	

Quick Facts on Thermofoil Doors

Thermofoil doors and drawer fronts are constructed from one piece ¾" thick medium density fiberboard. The profile detail is routed into the fiberboard, then covered in 12-16mil thick thermofoil vinyl material. (White 12mil / Colours 16mil). Thermofoil vinyl material is applied with a specially formulated 2 part PUR adhesive to withstand heat of 110 degrees Celsius.

- J** Maple horizontal edge to match with interior of cab
- K** Gable Height is 30¼" H

NOTE: Cabinetsmith dimensions are subject to a +/- 2mm tolerance.

Exposed base end cabinets will require repositioning of legs to accommodate toe-kick return or purchase of base end panel.

OVERLAY PANELS | Reference Guide

Overlay panels may be required for a finished look to your kitchen if customers would like a colour match to their cabinet end. Below is a quick visual reference for which accessory panels **are required** for each cabinet category. (Note: **NOT** required on White Door orders as Cabinet end panels will match white.

Quick Facts on Thermofoil Doors

Thermofoil doors and drawer fronts are constructed from one piece ¾" thick medium density fiberboard. The profile detail is routed into the fiberboard, then covered in 12-16mil thick thermofoil vinyl material. (White 12mil / Colours 16mil). Thermofoil vinyl material is applied with a specially formulated 2 part PUR adhesive to withstand heat of 110 degrees Celsius.

34.5"H CABINETSMITH SELECT MODULAR VANITY OPTIONS

Modular Vanities act as separate cabinets which are used together to create a finished Vanity design. (*Requires custom tops not available through Cabinetsmith)

EXAMPLE: I have a customer that wants to fill a 51" space and will be ordering a custom top. Using a **27" 2-Door Vanity** (CS-VFH271) paired with two **12" 3-Drawer Banks** (CS-VDB1221-3) I can make up the total space of 51" with plenty of storage and functionality.

Make up odd size spacing with Filler Strips (pg.24) & don't forget your Vanity Toe Kick (pg.25) when ordering.

30.5"H CABINETSMITH SELECT MODULAR VANITY OPTIONS

Modular Vanities act as separate cabinets which are used together to create a finished Vanity design. (*Requires custom tops not available through Cabinetsmith)

EXAMPLE: I have a customer that wants to fill a 51" space and will be ordering a custom top. Using a **27" 2-Door Vanity** (CS-VFH271) paired with two **12" 3-Drawer Banks** (CS-VDB1221-3) I can make up the total space of 51" with plenty of storage and functionality.

x1 CS-VFH271

x2 CS-VDB1221-3

Make up odd size spacing with Filler Strips (pg.24) & don't forget your Vanity Toe Kick (pg.25) when ordering.

NO DOOR MULTIPLIER REQUIRED WHEN ORDERING.**

LAUNDRY TUB | Construction Overview

SELECT Series Laundry Tub combos are built with 2 full height, soft-close doors drilled for knob hardware (Brushed Nickel knobs), paired with an upgraded Durastone fiberglass top. See below for full details and options.

Combo dimensions: 25" W x 22" D x 35" H

LAUNDRY | 25"W x 22"D x 35"H Standard Features

- Shaker White (SSW / SSS) Door.
- 2 full height soft close doors.
- White interior with colour matched sides.
- 2 Brushed nickel knobs (Pre-drilled).
- Durastone® 64 litre fiberglass top with recessed shelf.
- Packaged separately.

DURASTONE | Durastone™ fiberglass Utility sink that's made of premium compressed molded fiberglass blended with special resins for extra strength and durability. This creates a semi-gloss, scratch & stain-resistant surface.

- (A)** 17 gallon capacity, deep 13-3/4"D bowl
- (B)** Faucet hole indicators to accommodate single or dual-handle faucet with 4" or 8" center
- (C)** Includes 1-1/2" drain assembly with stopper that connects to standard 1-1/2" P or S trap.

Multi-Task sinks meet or exceed performance requirements as listed:

- International Association of Plumbing and Mechanical Officials (IAPMO)® Listed
- Warnock Hersey® (Canada) Listed—CSA #B45.0 and #B45.5
- American National Standards Institute (ANSI)—Specification Z 124-2011

SELECT LAUNDRY TUB | CABINET COMBO

25"W X 35"H X 22"D | LAUNDRY TUB CABINET

STANDARD FEATURES

22" D | Full side gables | Soft close doors | Predrilled for hardware (Included)

*ONLY Huntsville White (SSW) and Smooth White (SSS) are available as a Laundry Combo.

SIZE / SKU		PRICE

CABINETSMITH® 10 YEAR WORKMANSHIP AND WARRANTY

Cabinetsmith® Cabinetry warrants to the original consumer purchaser that our Kitchen and Vanity cabinetry will be free from defects in material and workmanship under normal use for a period of ten (10) years from date of purchase. Cabinetsmith® may elect to replace any defective Cabinetsmith® product covered by our Warranty.

If Cabinetsmith® is liable under the warranty claim, they will arrange replacement of the part required due to defective workmanship. Cabinetsmith will not be responsible for any service/installation charges related to replacement parts.

If a warranted product is no longer available, the manufacturer, at its absolute discretion, may replace the warranted product with substituted item which would be as close as possible in dimension / function and colour. The manufacturer however, cannot guarantee that the replacement item will be exactly the same in all aspects when compared with the original item. Should the material no longer be available to Cabinetsmith by our suppliers, Cabinetsmith will only credit the cost of the item being claimed under warranty.

EXCLUSIONS

This warranty does not apply in relation to any damage to the warranted products caused by the following:

- Improper installation of the cabinets and related accessories
- Wear and tear suffered through normal use (including scratches and cuts) or damage caused by impacts or accidents;
- Use of inappropriate chemicals;
- Damages caused by wet articles such as dishes or clothes placed in your cabinets or on countertop joints;
- Damages caused by attaching or installing fixture/units inside or outside of your cabinet doors exceeding 3 lbs.;
- Damages caused by overloading your drawers or placing articles above the level of your drawer;
- Damages caused by placing any unnecessary pressure on your cabinet doors by tugging / pulling open / standing on open drawers;
- Damages caused by extreme temperatures changes and/or extreme humidity changes. Cabinets are to be installed inside a house/dwelling that is heated/cooled within normal ranges.
- Insufficient or improper care (including inappropriate use of cleaning products);
- Cabinet dimensions are subject to a +/- 2mm tolerance per cabinet
- Fading, discolouration or damage caused by exposure to intensive or excessive light including ultra violet light, moisture or heat (be careful with kettles, toasters and ranges which should be equipped with a range hood);
- Alterations, modifications or use of the Warranted Products which is beyond or inconsistent with the supplied product instructions and which has not been authorized by Cabinetsmith®;
- Thermofoil delamination due to over exposure to heat or water; OR
- The natural aging or darkening of wood color, the inherent growth characteristics of, or variation in wood. (We believe this is the beauty of nature and not a defect. Every attempt has been made to ensure that the colours of the door finishes in the Cabinetsmith® website are as close to the actual finishes as possible. However, please note that due to the limitations of the computer screen, these colours are meant as representations only and that actual finishes may vary from what is on the screen).
- Door/Drawer soft close, drawer rails, etc: device defects are covered for a period of 1 year from date of delivery, subject to consideration of reasonable use and care. Covers replacement only. No guarantee of interchangeability is offered.
- Damages caused by overloading shelves (10lb max).
- Damages caused by not removing protective peel coat from all doors/items within 14 days of order being invoiced.

TERMS

Cabinetsmith's terms are NET 30 DAYS to accounts with approved credit. All new accounts are COD for first 30 days. Application for credit must include bank and trade references. A 1.5% monthly finance charge will be calculated on ALL OVERDUE ACCOUNTS.

RETURNS AND CREDIT

There will be no restocking charge for damaged goods, shipping errors, order desk errors or manufacturer defects. We will issue credit notes upon receipt and verification of goods. Call our order desk for a Return Authorization and we will arrange to pick it up, no charge. NOTE: Pictures may be required in the event of defects/damages before a claim can be authorized.

STOCK

Returns for any other reason for stock items must be in original condition and packaging. A Minimum 20% restocking fee will be applied (minimum charge \$5). This fee is to cover initial order processing, freight out, invoicing, return processing, freight back, handling, and credit issuing. For areas not serviced by CanSave's fleet, dealer is responsible for return freight. Please call the Order Desk or your Sales Representative to discuss your request.

SPECIAL ORDERS

All kitchen cabinets & vanities are considered special order, as they are "made to order". Please be sure to OBTAIN A DEPOSIT from YOUR customer before placing a special order! Special orders can NOT be returned or cancelled once the manufacturer has processed them! Your purchase order will be considered a binding contract. LEAD TIMES quoted for special orders are approximate. Special orders can NOT be cancelled in the event of an extended lead time. Please be certain that your customers understand this before you place a special order. RETURN AUTHORIZATIONS are valid for 30 days from date of issue. Product not returned within 30 days is dealer's responsibility.

OUR DRIVERS ARE UNABLE TO ACCEPT ANY RETURN WITHOUT PROPER PAPERWORK. CanSave is not responsible for any product that comes back without proper authorization.

CLAIMS

DAMAGE CLAIMS, or claims for MISSING PRODUCT must be made within 48 hours of delivery.

Pictures may be required in the event of defects/damages before a claim can be authorized.

CONCEALED DAMAGE must be reported within 7 days, and product MUST be returned in original undamaged packaging.

Claims for credits due to PRICING ERRORS must be made within 60 days of invoicing.

WARRANTIES

We will replace any goods and take care of warranty claims for you, as long as it falls within the manufacturer's warranty guidelines. The manufacturers' word is final, and Cabinetsmith does not offer extended or additional warranty coverage. Cabinetsmith does not cover labour charges.

For complete warranty details, please refer to cabinetsmith.ca/warranty

All Warranties are to be submitted online under dealer portal @ www.cabinetsmith.ca/warranty-requests
