THERMOFOIL DOORS

What's unique about **SELECT series** is how quickly you can order and receive a complete kitchen. Available delivered to your store in just 2 weeks after your design and order process is completed. If you're ready to decide on your colour and style, you're ready to **get started on your new Cabinetsmith Kitchen.**

SEE PAGES 12-13 FOR DOOR OPTIONS

Why Thermofoil?

The simple answer is that it's an economical choice. Beyond that, thermofoil is a durable alternative to wood that will be an exact colour and style match. Traditional painted, or stained wood will always contain variations. SELECT series doorstyles allow you to match your decor without the hassles of those variations.

- **More durable and sustainable than wood.**
- **Perfect colour matching.**
- **Available quickly in 15 style & colour combinations.**
- **Both classic and modern styles.**
- **Canadian made, low maintenance, quality.**
- **Backed by a 10YR Warranty.**

DIVE INTO THE RIVER OF DREAM KITCHENS

BLACK RIVER OVER BLACK CREEK

Drawing inspiration from the unique lines and waves of a running river, or creek, Inspire black river can be used throughout your entire kitchen, or as a contrasting accent to white, or woodgrain options. Allow your kitchen design to flow, like a river is running through it.

Smooth, flowing, calm, collected.

THIS LOOK ISN'T JUST FOR THE CITY LIFE

METRO UPTOWN LOOKS, DOWNTOWN

MODERN CITY LOOKS FOR WHEREVER YOU ARE

The flat smooth surface of Metro is used to convey a simplified modern feel in your spaces. You can have that smooth, fresh painted look everyday, or that woodgrain look to accent your coloured, or stainless steel appliances. Your cabinetry will be low-maintenance, durable, and last for years to come.

A BIT ABOUT MODERN DESIGN

You don't have to be a design expert to achieve a great "modern" look and feel with your space. Modern design is a style characterized by clean lines, simple forms, and a focus on functionality and simplicity. Think uncluttered, uncomplicated and simply breathtaking.

Simple, functional, classy, organized, tasteful, bright.

PURE series

PURE series

White Interior / White Exterior

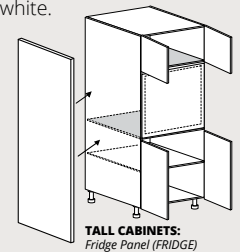

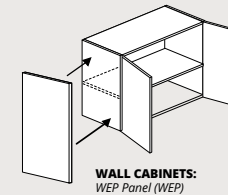

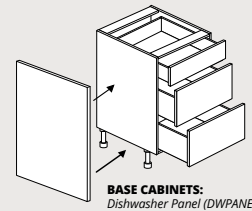

Pure is synonymous with clean, sleek, modern, and timeless styles. We use Pure to describe the clean white interiors and shelving for your cabinets. We recommend matching these interiors with lighter door styles, such as White, or Whistler; or create a striking contrast by choosing coloured doors like Black, or Marine Blue.

BEACH GLASS

HANG TEN MAHALO

Heading to your cottage, or just love the rustic charm? We've got a colour that will inspire you everytime you see it. Beach Glass allows you to bring the elements you love about being by the sea, or lake shore into your living space. It's a breath of fresh air, a time capsule to your childhood memories, creating a look you will admire for all seasons. Cabinetsmith pairs Beach Glass with the environmentally friendly aspects of IMPRESSION series. Taking into account the importance of reducing our environmental footprint, even when stepping onto the beach.

Light, airy, warm, comfortable.

INTO THE BLACK

THE ULTIMATE BACKDROP

When thinking of black, thoughts of outer space, emptiness and openness come to mind, but black is also the colour of night, deep rivers, maple syrup, beautiful dresses and the yin to everyone's yang.

Black can be a great foundational colour that allows you to highlight anything else in the room. From a beautiful marble table top to woodgrain cabinet accents. Black is your base to create mystery, sophistication, and pure elegance.

Dark, moody, cozy, intimate.

Cabinetsmith has black available with contrasting white interiors. Ready to set the stage for the addition of functional pullouts, lazy susans, or spice racks. Finish off your black kitchen cabinetry with your choice of matte black, brass, or brushed nickel hardware, or knobs.

Ask your dealer/designer today to help create a space that's uniquely yours using Cabinetsmith Canadian Made cabinetry.

IMPRESSION series

IMPRESSION | MAPLE

Maple Interior / Colour Matched Exterior

Maple is one of the most commonly used materials in cabinetry. Known for its natural allure and warmer hue, maple compliments any look, whether it's traditional, rustic, or contemporary. Pair this interior finish with your choice of wood-like door styles such as Banff, or Canmore.

A PERFECT MIXTURE OF SHALE AND WHITE

If you are looking to keep things clean looking while having a big impact choose IMPRESSION series White or Whistler. Breathe in the clean, crisp, cool air, while you cook your favourite meal and get ready to entertain, or to just enjoy dinner with your family.

Try contrasting bright whites with natural woodgrains, like Banff or Canmore to add depth and richness to your kitchen.

Bright, timeless, clean, airy.

Cabinetsmith has Whistler available with contrasting maple interiors. Ready to set the stage for the addition of functional dovetail drawers, lazy susans or pullout bins. Finish off your kitchen cabinetry with your choice of matte black, or brushed nickel pull bars, or knobs.

Ask your dealer/designer today to help create a space that's uniquely yours using Cabinetsmith Canadian Made cabinetry.
